IQ Meats is working with the Farmers and Hunters Feeding the Hungry (FHFH) program again this year. Anyone wishing to donate a deer to be processed for FHFH may do so at IQ Meats. All donated deer will be given to FHFH for distribution to area food banks. For more information, please visit www.FHFH.org.

IQ Meats reserves the right to charge a storage fee for any venison not picked up within 7 days of notification of completion and to donate unclaimed deer to FHFH after 15 days of notification. At which time, the deposit is forfeited.

\_\_\_\_\_ Yes, donate my deer to FHFH
